Resilience

You are invited!

All parents/caregivers of children at Flinders Park Primary School are invited to attend our

FPPS Annual General Meeting

Tuesday 26th February at 7pm in the Library

This is an important meeting where parents/caregivers will hear the Principal and Parents of FPPS Governing Council report on the activities and learning progress of our school. Please show your interest and support for the school by attending this AGM. You certainly will not be asked to join the Governing Council unless you wish to.

The Annual Report and Financial Statement will be presented.

Elections for the 2019 Governing Council will also be held.

The Governing Council meets twice a term to work with the school leadership and staff to set broad direction and broad policy for the school and to monitor progress towards this. It incorporates parent and community input, where possible, and has committees that support OSHC, Sport, Finance and Canteen.

It is certainly a way to keep informed of what goes on at school, and to have input into supporting it.

We would like to thank our 2018 Governing Council for their contributions last year, their support and governance is very important.

We have up to 12 parent members on our Governing Council, and the Principal and staff representative, Natalie Wilksch.

Members who will continue in 2019 are:

Kate Rostirolla	Laura Hall
Mina Schoeman	Michelle Ready

Members who are due to retire but may wish to renominate are:

Derren Halleday	Steve Jordan
Melissa Williams	Kerry Attridge
Amanda Moon	Sally Maxwell
Di Cockburn	

If you wish to nominate, please send your name to the school via the return slip below:
