## Room 5's Story Detectives and Grumpy Bears

This term our class has been learning to identify some of the essential elements of stories. We have learnt that most stories have a Setting; some Characters; a Problem and a Solution.

On Friday the 31<sup>st</sup> of August we went to the Port Noarlunga theatre and watched a live performance of The Very Cranky Bear. We absolutely LOVED seeing one of our

favourite stories come to life! We worked together to figure out where the story was **set**, who the characters were, what the problem was and how the problem was solved.

The next week we decided we would all have a go being "Cranky Bears" and so we recreated the show and we each took turns being the characters from the book. Below are some of our Cranky Bear faces!

It has been great to discover that stories are not only read aloud, but can also be written; told; performed and watched.

## PRINCIPAL'S REPORT

*Dear Families, Konnichiwa!*

### SAPSASA District Athletics Day

This week 30 students represented FPPS at this Athletics Day. They had a wonderful day and competed really well. We are very proud of their sporting behaviour and their athleticism. I know that they had a great day, congratulations! Thanks to Mr K for organising everything so well.

### STEM Opening

Thanks to our special guests, Local Member for West Torrens, Tom Koutsantonis, Mayor Angela Evans and other invited guests; Derren Halleday, Governing Council Chairperson and FPPS student leaders and staff for preparing and presenting a brilliant official opening to our new STEM facility. We were thrilled with the special occasion and feel that it was a great opportunity to show off our school and the learning of our students. This new, flexible space provides exciting learning opportunities for all our students.

## SPORTS DAY HELPERS

We are in desperate need of helpers for the BBQ and cake stall on Sports Day.

Unless we get some more volunteers we will not be able to have the BBQ and cake stall.

Please contact the Front Office asap if you are able to help, even just 1/2 an hour will be appreciated.

## STUDENT SCHOOL BANKING

Due to work commitments our current School Banking Officer, Emma, will be unable to continue performing the role for our students who use the service.

Please make contact with the Schools Front Office if you are willing to take over the role.

Emma and the Commonwealth Bank School Banking Co-ordinator will provide you with all the training you will need to take over the role. The role only takes about an hour a week to perform.

Please make contact with the School on 84439356 or come in and see us, as without a School Banking Officer **we will not be able to provide this service to our students in the future.**
