PRINCIPAL'S REPORT

Dear Families, Konnichiwa!

How fast has 2018 gone! It feels like yesterday that I was welcoming everyone back to school to begin the year. As we head towards the final week of the year, we can reflect on what makes this school so successful in so many ways.

Academically I see evidence of high expectations across the school, backed up by professional planning and passion from all staff. Your children rise to meet those expectations which are often individually adjusted to meet your child's needs and abilities. Your support and high aspirations for your children are a bonus for us. We have a diverse and collaborative community of learners with families who are supportive and keen for their children to succeed.

Kellie Brown

Children and families have been very concerned about Kellie and her well-being. I have continued to pass on your best wishes each time we catch-up. It is with regret and disappointment for FPPS that I announce that Kellie will not be returning to our school, but will be taking up a teaching role in another school. She has spent this year recovering from some health issues and is now doing really well. She loved working as the Deputy at Flinders Park, and getting to work with so many of your wonderful children and their parents. Kellie made a lot of wonderful relationships in a short time and had a huge effect on teachers, staff, parents and children. She is one of the best educators that I have worked with and will be sadly missed. I am sure that you join me in wishing her the very best for the future and thank her for everything that she has done for your children and the school.

Marija Baggio will continue as Deputy Principal in Term 1 2019, and we expect to advertise for a new DP early next year.

Classes for 2019

We agonise over the best class placements each year and the best way to organise students into class groupings. Children are placed according to teacher, friend and parent considerations; with no way of changing them afterwards as there will be consequences for every move.

Next Wednesday, students will go into their new classes to meet their teacher and their classmates for a short time. At the end of the day, they will bring home their reports and their 2019 teacher name and room number.

Volunteer Morning Tea

A reminder that next Tuesday at 10.30 in the Library/STEM space is the Morning tea to thank our Volunteers.

This annual morning tea is held to officially thank people from our school community for the work they do as regular volunteers in a range of roles. Some of our volunteers are not always visible to the whole community and we appreciate what they all offer us. The Government Sponsored Volunteer of the Year Award will be announced.

Graduation

This is next Thursday evening – a memorable evening for all year 7 students and their parents. Teachers and students have worked hard for this night to occur, it should be wonderful.

We are looking forward to congratulating this group as they conclude one part of their life and move on to the next. Over the years they will have made many friends and met a range of teachers and support staff who have enhanced their experience of this time. They will have many memories to take with them and hopefully they will be nervously excited about what lies ahead. We wish them well and thank you for the opportunity to have them here with us at Flinders Park Primary.

Canteen

Please take note of the canteen opening hours for the last week of term. Thanks to Simone and our volunteer parents who have provided this excellent service to our families.

PRINCIPAL'S REPORT (CONTINUED)

Thanks

The Governing Council and I would like to thank both Simone and Miffy for their untiring efforts in managing both the Canteen and our OSHC program for our school community.

Can we take this opportunity to thank all our families for their ongoing support, and wish everyone a safe and peaceful Christmas season, and a relaxing, enjoyable summer holiday break. We look forward to seeing everyone again in 2019 and wish our families and students who are moving on, our best wishes for their future.

Judy Anderson,

Principal
